

PLEASE HAVE ALL PLAYERS READ:

****NEW FORFEIT PROCEDURES:** Teams must have 3 players present by 7:30 to start the match. A forfeit CANNOT be called before 7:45. At 7:45 the forfeit must be called in to 414-940-0811. If there is no answer you must leave a message. Forfeits are discouraged by the league office. Maximum latitude should be granted to a team so matches can be played for the benefit of the players and the bars. League office reserves the right to review and reschedule any forfeited match deemed appropriate. However, habitual tardiness will not be tolerated and must be reported to league office. Once again sportsmanship applies.

Once again - Teams must have 3 players present by 7:30 to start the match. If the 4th player gets there by the start of their 2nd game, they can still play their first game; otherwise all of player 4's games are forfeited.

****This is a tavern league, all players must be 21 in order to play.**

****Players cannot play on more than one team in each division.**

****AWAY TEAM – When your team is the away team, you are responsible for turning the weekly envelope in. Do not give it to the other team to drop off because if there is a problem, your team will be held accountable. *Please get a receipt when you turn it in.***

****Score sheets must include each players first and last name every week. If first and last name are not on sheets, your team will be fined \$20.**

****All sheets must be dropped at Flappers, The Network, Straight Shots or Mortimers.**

****At the end of your match, if the point totals are tied, you must play off for a winner. The match should not end with total points in a tie.**

If you are short a player, you still owe \$24 for that week. Teams will be fined \$20 for turning in partial payments.

****After week # 1, if a new player starts, please circle that player.**

****Forfeits – Teams will be charged \$20 + weekly fees each time they forfeit, up to 3 times. After 3 times teams will be removed from the league and you will forfeit all league monies.**

****Players requesting to “Shoot off” games to leave early, must notify opposing team before match starts.**

****GMABCA will create its own Master List, which will be used at the End of Season Tourney.**

****During league matches, any team member not shooting a league game may utilize any other practice table. The no practice rule only pertains to tournaments.**

****Team Drinks are at the courtesy of bar owner and are not mandatory. Team Drink chips/cards are not to be used for the drink frame.**

****Maximum number of players on your roster is 10.**

****Sanction fees \$8.00 per player. (Does not need to be paid in summer leagues)** This is not a fee of our league; this gets sent directly to the WSPA. Players only need to pay one sanction fee no matter how many different WSPA leagues they play in. Sanction fees are due the first night a player plays. If you played in a summer league that was sanctioned, we need to know the league you sanctioned in by the first week.

****Team Rosters must be filled out week #1 with only the info of the 4 players playing that night.** These are sent to the WSPA and all information must be complete. All boxes must be completely filled out. Sub information will be added only as they play. (See next rule)

When adding new players after week #1, put the players info (Legal name, DOB, Address, Phone #) on the back of your score sheet for the week, and it will be transferred to your roster.

****DROP TIMES.** Monday, Tuesday and Wednesday leagues will be Friday at noon. Thursday leagues will have until Saturday at bar close, **sheets dropped off after noon on Friday for any division MUST BE DROPPED AT MORTIMERS PUB (7023 W. Adler St.).** All envelopes must be dropped off by scheduled time or your team will be fined. **Drop bars** are: Mortimer's Pub, The Network, Flappers and Straight Shots.

****NO TEXTING OR PHONE CALLS DURING YOUR GAME.** After one warning, it will be a foul. You must wait until after your game to take a call or text someone.

****Smoking.** Please make sure you are inside and ready to play when your game is up. Use common sense.

****Get a receipt when you turn your envelope in.** This way there will be no problem if anything comes up missing.

****All Players – Please take a minute to read the notes on your standings each week.** This is the only way we have of communicating with teams. Make sure to watch the first couple of weeks because if we have to change schedules around, it will be posted on the website www.gmabca.com. Also if a team drops or is added after week 1, this is how we will let you know.

****Qualifications for End of Season GMABCA Tournament** – 3 players have to play ½ of the season, and the sub must play at least 5 weeks during the year.

Team Play at End of Season Tournament - Players are allowed to play on a maximum number of 2 teams. Please make sure your subs have their weeks in so there won't be any problems.
